BARTLETT TREE EXPERTS

SCIENTIFIC TREE CARE SINCE 1907

Meet Your Bartlett Arborist Representative

Matthew Chenski

Matt attended Bloomsburg University and received a bachelor's degree in art studio. After college, his interest in trees grew to become a passion while working for the County of Lancaster in Pennsylvania as an Arborist. Matt moved to Fort Collins in the summer of 2023 and began his career with Bartlett. Before becoming an Arborist Representative, Matt has held positions as a Plant Health Care Specialist and Local Office Safety Coordinator.

Matt is an ISA Certified Arborist, Tree Risk Assessment Qualified, and is a Qualified Supervisor through the Colorado Department of Agriculture. He strives to provide clients with the best possible tree care and is supported by the Bartlett Tree Research Laboratories, an invaluable resource.

In his free time, Matt enjoys spending time with his partner, their two cats, their dog, and their Kenyan Sand Boa. He also loves snowboarding, hiking, drawing, and seeing live music.
