BARTLETT TREE EXPERTS

SCIENTIFIC TREE CARE SINCE 1907

Meet Your Bartlett Arborist Representative

Joseph Drzewiecki

A central New Jersey native, Joe has always had a strong interest in trees and their relationship to the communities and people around them. He followed this passion, earning a bachelorâ€™s degree in environmental planning and design, with a minor in Plant Science, from Rutgers University in 2009. Joe transitioned from landscape construction to the tree care industry and joined Bartlett Tree Experts in 2022. He held the position of Plant Health Care Specialist prior to becoming an Arborist Representative. He is currently an ISA Certified Arborist.

As an Arborist Representative, Joe is backed by the resources of the Bartlett Research Laboratories. He enjoys helping clients make informed decisions to maintain the health of trees and shrubs and achieve their goals for their properties.

In his free time, Joe enjoys fishing, gardening, and hiking. He also enjoys spending time outdoors with friends and family.
