BARTLETT TREE EXPERTS

SCIENTIFIC TREE CARE SINCE 1907

Meet Your Bartlett Arborist Representative

Ryan Barnett

Ryan joined Bartlett after a long career with Texas Parks & Wildlife, where he served as both a Park Ranger and Wildland Firefighter for the State of Texas. During his time as a firefighter, he specialized in hazard tree mitigation and prescribed fire implementation. It was in this role that his passion for trees and habitat management truly took root.

In 2022, Ryan became an ISA Certified Arborist, allowing him to further expand his expertise in tree health, preservation, and sustainable landscape management. He is proud to be part of Bartlett Tree Experts, where he utilizes the company's scientific approach and comprehensive services to provide exceptional care for trees and shrubs while delivering outstanding results for his clients.

Ryan lives in San Marcos with his family. When he is not working outdoors, he enjoys spending his free time outside as well making the most of everything nature has to offer.
