SCIENTIFIC TREE CARE SINCE 1907

Meet Your Bartlett Arborist Representative

Adam Blevins

Adam was born and raised in Gettysburg. He has been taking care of trees there since 2001, as a successful owner of Blevins Expert Tree Care for 11 years. Adam longed to be able to provide an even higher quality of care for his clients, so he joined the Bartlett Tree Experts team in 2018.

He now heads up Bartlett's Gettysburg office and strives to serve his home town with the best tree and shrub care available. With a strong interest in trees and a love of the outdoors, Adam was attracted to Bartlett's scientific and holistic approach to arboriculture.

He is an ISA Certified Arborist and holds a degree in Urban Tree Management from Paul Smith's College. His passion for the Gettysburg community, coupled with his thirst for knowledge and love of plants makes him a perfect fit for the myriad of landscape issues in Gettysburg.

Adam is married and is a proud father of two young children. He enjoys spending time with his family doing various outdoor activities.
