Meet Your Bartlett Arborist Representative

Alexandre Topart

Alex grew up in France and graduated from Brevet de Technicien in 2014 with a degree in Marketing and Management. However, his interests led him to arboriculture. Alex began working in tree care in Ireland where he became a certified arborist in 2018. Having fallen in love with Canada while traveling after college, he chose to move to the Okanagan to pursue his career as an Arborist. Alex joined Bartlett Tree Experts in 2020. As he advanced within the Company, he held positions as Arborist Climber and Crew Leader prior to becoming an Arborist Representative.

A Certified ISA and TRAQ Arborist, Alex enjoys helping clients make informed decisions to maintain the health of trees and shrubs and achieve their goals for their properties. He is passionate about both the development of young landscapes and the preservation of mature ones. Alex serves West Kelowna, Peachland and Glenmore.

In his free time, Alex is an avid cross-fitter. He also enjoys spending time outdoors with friends and family. Alex resides in Kelowna with his wife, Caitlin.
