BARTLETT TREE EXPERTS

SCIENTIFIC TREE CARE SINCE 1907

Meet Your Bartlett Arborist Representative

Allen Blake

Raised in South Glastonbury, CT, Allen realized his passion for being outdoors and exploring wilderness early on. Some of his favorite childhood hobbies included going for hikes with his dog, mountain biking, skiing, snowmobiling, and riding his dirt bike. Allen learned the values of hard work and integrity by spending many summers alongside his grandfather managing large estates. In his early college years, Allen furthered his knowledge of the green industry by working for a highly reputable local landscape company, while obtaining his degree in Sustainable Forest Resources at the University of CT. Allen began his internship for Bartlett Tree Experts at the end of his junior year in college where soon after he was asked to return full time as a Plant Health Care Specialist. Allen quickly became a true champion as a PHC Specialist, delivering the highest level of customer service and receiving high praise from our customers. For his hard work and effort, Allen has been promoted to role of Arborist Representative where he will continue his excellent customer service and care of client's properties. Allen is an ISA Certified Arborist, who strives to provide a quality service and peace of mind to his customers from start to finish.
