BARTLETT TREE EXPERTS

SCIENTIFIC TREE CARE SINCE 1907

Meet Your Bartlett Arborist Representative

Anthony Paolucci

Anthony grew up in Stroudsburg, Pennsylvania, where, when he wasn't playing football or wrestling for his school, he was exploring the woods. That time in the Pocono Mountains encouraged his interest in outdoor life and led him to Kutztown University where he earned a Bachelor of Science in Environmental Biology with concentrations in Botany and Entomology. Anthony joined Bartlett Tree Experts in 2019 and held positions as a Groundperson and Plant Health Care Specialist prior to Arborist Representative.

Anthony is an International Society of Arboriculture (ISA) Certified Arborist and is a licensed Insecticide Applicator. His love of the outdoors is obvious as he shares his knowledge to help clients make educated decisions for the good of their trees and shrubs.

In his free time, Anthony loves cooking, training for lifting competitions and practicing wildlife sketching.
