BARTLETT TREE EXPERTS

SCIENTIFIC TREE CARE SINCE 1907

Meet Your Bartlett Arborist Representative

Becca Doll

Becca has a bachelor's degree in Environmental Economics from St. Lawrence University, which instilled a passion for land management and taking care of trees. She joined Bartlett Tree Experts in 2017. Becca held various leadership roles including Local Office Safety Coordinator, Crew Leader, and Plant Health Care Specialist prior to becoming an Arborist Representative.

An ISA Certified Arborist, Becca uses all the knowledge she has acquired about local tree and shrub insect and disease issues and proper pruning techniques to better help customers achieve their goals. Becca is also Tree Risk Assessment Qualified (TRAQ) and a Certified Tree Care Safety Professional (CTSP). With the diagnostic support of the Bartlett Research Laboratories, she and her team can answer questions and provide recommendations that will keep your landscape healthy, safe and beautiful.

In her free time, you can find Becca mountain biking or hiking in Pisgah or Dupont with her husband and dog! Her favorite tree is a sourwood.
