BARTLETT TREE EXPERTS

SCIENTIFIC TREE CARE SINCE 1907

Meet Your Bartlett Arborist Representative

Benjamin Elwell

A native of Nantucket, Ben joined Bartlett in 2018 in search of a way to give back and provide for his hometown community. Starting as a trainee Arborist with no experience in the industry, Ben quickly took to the world of Arboriculture and expanded into roles as an Arborist Climber, Plant Healthcare Specialist, Crew Leader, and, later in 2022, Local Office Safety Coordinator, a role which he held until relocating to Hanover in 2025 for his current role as an Arborist Rep.

While on Nantucket, Ben also served as a part-time Representative, focusing on invasive species management. Ben holds a Commercial Pesticide Certification in the state of Massachusetts, is an ISA Certified Arborist, and Certified Tree Care Safety Professional.

Through experiential knowledge and with the robust support of Bartlett's Research Laboratories, Ben is here to help maximize the beauty, safety and functionality in your landscape.
