Meet Your Bartlett Arborist Representative

Bob Longe

Bob is a graduate of the Warnell School of Forestry & Natural Resources at the University of Georgia. He has been with Bartlett Tree Experts for 20 years. Prior to his current position at the Augusta office, Bob served two other Bartlett locations. At the Charlottesville office, Bob helped clients in the Appalachian Ridge and Valley province of Virginia, and at the Charleston office, he worked with clients in the Coastal Plain of South Carolina helping them maintain the health of their trees and shrubs.

An ISA Board Certified Master Arborist, Bob develops and manages tree and shrub health care programs for his clients along the Sandhills region of Georgia and South Carolina. He specializes in developing soil management plans, diagnosing pests of woody plants, and prescribing insect and disease treatment programs.

In his free time, Bob enjoys outdoor activities with his wife and two daughters. Their trips, locally or throughout the country, often involve birding, hiking, and learning about the flora and fauna of the various ecosystems they encounter.
