BARTLETT TREE EXPERTS

SCIENTIFIC TREE CARE SINCE 1907

Meet Your Bartlett Arborist Representative

Collin Plumley

Collin Plumley joined Bartlett Tree Experts as a Summer intern in 2014 and 2015. After graduating from The University of Maryland with both a Bachelor's Degree in Landscape Management as well as a Certificate in Landscape Management from the Institute of Applied Agriculture, he chose to join Bartlett as a full time employee in early 2016. It was Bartlett's safety culture and scientific approach to tree care that convinced him that the company was a perfect fit for him. Collin grew up in the Washington D.C. metropolitan area, where he discovered at an early age his love for trees and the outdoors. While working at Bartlett, he became a Certified Arborist with experience as a Tree Climber, Foreman, and Plant Healthcare Specialist before becoming an Arborist Representative.

In his free time Collin enjoys exercising, mountain biking, hiking, and traveling. He lives in Lakewood and loves exploring the Rocky Mountains as much as he can.
