Meet Your Bartlett Arborist Representative

Cory Wilson

Cory Wilson is a Certified Arborist with over 20 years of experience in the tree care industry. Starting as a ground person in 2004, he advanced into a proficient tree climber and into leadership and management roles while continuing to deepen his knowledge of tree biology, plant health care, and team development. Cory is passionate about training arborists, mentoring future industry leaders, and helping individuals grow their skills and careers in arboriculture.

Cory is an ISA Certified Arborist and is Tree Risk Assessment Qualified (TRAQ). He has a passion for helping clients make informed decisions regarding their landscape and the health of their trees. His combination of field experience, technical expertise, and people-focused leadership has made him a respected advocate for professional tree care and workforce development.

Cory is a motorsports enthusiast and loves spending time outdoors. When he is not riding his dirt bike, he can be found spending time with his wife and two children.
