Meet Your Bartlett Arborist Representative

David Cornet

David Cornet was born in Cleveland and raised in the Akron/Canton area. He grew up spending time outdoors with family and his passion grew for arboriculture. David graduated from Ohio State University in 2018 with a B.S. in Environmental Science with a specialization in Forestry, Fisheries, and Wildlife. Throughout school, he worked for a tree care business in Columbus that focused on proper arboriculture practices and the importance of safety, eventually going on full time to become a commercial salesman and account manager. In 2020 he moved back to Cleveland and has been enjoying the Forest City ever since!

David is an ISA Certified Arborist. He looks forward to working with and fostering long term relationships with clients for the care and longevity of their tree and shrub care needs.

In his free time, he enjoys spending time with his wife and their Chocolate Lab. They like to hike throughout different States, and National Parks within the U.S. as well as fly fishing wherever they can!
