BARTLETT TREE EXPERTS

SCIENTIFIC TREE CARE SINCE 1907

Meet Your Bartlett Arborist Representative

Dylan Kerl

Dylan has been with Bartlett Tree Experts since 2013. A second-generation Arborist, he grew up with trees and plants as part of the family business. A childhood spent in nature led to studies in outdoor leadership at Warren Wilson College, where he worked for the campus tree crew tending to the college's urban forest. Bartlett's holistic approach to scientific tree care motivates Dylan to be versatile when it comes to arboriculture.

Dylan is a Board Certified Master Arborist with over two decades of experience in trees. He serves Amherst, Nelson, and Rockbridge Counties as well as Waynesboro and Stuarts Draft and is excited to work with both new and established Bartlett customers.

When he's not working, Dylan loves to snowboard, golf, camp, float the river, and get outside with his wife, Lindsey, and his sons Oakley, Heron, and Dawken.
