Meet Your Bartlett Arborist Representative

Gareth Davies

Gareth is an Arboricultural Consultant advising on a wide range of tree-related matters. Gareth has previously gained invaluable hands on experience over the last eight years working as a freelance arborist within the arboricultural industry. He graduated with a Distinction from The University of Northampton after successfully completing the FdSc in Arboriculture.

Gareth has come from an architectural background with a HNC in construction and 5 years experience working with CAD on commercial and residential developments.

Gareth has gained valuable experience working at Bartletts and has gained lots of experience to further his technical knowledge in a wide range of areas from surveys for development sites in accordance with British Standard 5837:2012, internal decay detection using the Picus Sonic Tomograph and Resistance Micro-drill, tree surveys for health, safety, condition, and management plans as well and Climbing Inspections for health and integrity assessments.
