Meet Your Bartlett Arborist Representative

Greg Schmidt

Greg has been involved in the tree care industry since joining Bartlett in 2012. After graduating from high school, he enlisted in the Army Reserves. His passion for the outdoors led him to Bartlett where he learned to climb trees and worked as an Arborist Crew Leader. After taking on the role of Plant Health Care Specialist, he spent several years inspecting, diagnosing and treating plant health concerns. He then accepted a position as an Arborist Representative.

Greg is an ISA Certified Arborist. He also holds a Maryland tree expert license and pesticide applicator license. He appreciates every opportunity he has to share his love of nature and trees with clients.

In his free time, Greg enjoys camping with his wife and three children.
