

**BARTLETT
TREE EXPERTS**

SCIENTIFIC TREE CARE SINCE 1907

Meet Your Bartlett Arborist Representative

Kevin Weber

Kevin began his career in arboriculture in 2008 with a summer internship at Bartlett Tree Experts during college. After graduating in 2009 from Delaware Valley College with a bachelor's degree in Ornamental Horticulture & Environmental Design and a minor in Business, Kevin joined Bartlett full-time. He developed valuable experience in all aspects of tree care as he advanced within the company. Kevin has an extensive background as a production and consulting arborist and held several leadership roles prior to Arborist Representative.

An ASCA Registered Consulting Arborist and an ISA Board Certified Master Arborist, Kevin draws on his extensive knowledge and experience to offer sound arboricultural assessments. His ability to blend technology and arboriculture provides the framework for his solutions to meet clients' goals.

In his free time, Kevin enjoys spending family time with his wife, daughters and multiple species of animals at home. He enjoys cycling the back roads in Berks and Chester counties and "tinkering" with anything in his shop at home.
