Meet Your Bartlett Arborist Representative

Laura Schumm

Laura was born and raised in Portsmouth, Virginia. She has a BFA in Painting and Printmaking from Virginia Commonwealth University and an AAS in Horticulture from J Sargent Reynolds Community College. Laura combined her love of plants and art working in public garden horticulture. After interning at Lewis Ginter Botanical Garden and Longwood Gardens, she accepted a Horticulturist position at Lewis Ginter Botanical Garden in 2014. After Laura attended a Bartlett Tree Experts Client Seminar in 2016, she recognized that Bartlett's holistic and scientific approach to tree and shrub care sets them apart from the rest and in 2019 she joined the Bartlett team as an Administrative Assistant where she learned the ins and outs of office operations. She enjoyed the new challenge but missed face to face connections with others out in the landscape and in 2022 transferred to tree work.

An ISA Certified Arborist, and a licensed Commercial Applicator in Virginia, Laura is dedicated to helping clients maintain the health and beauty of their trees and shrubs.

In her free time, Laura enjoys camping, hiking, cooking and woodworking projects. She lives in the Northern Neck with her dog, Ranger, and cat, Lois.
