Meet Your Bartlett Arborist Representative

Luke Beauchamp

Growing up in the Adirondack Park, on the border of the Pigeon Lake wilderness, Luke developed a love for trees at a young age. He earned a degree in Arboriculture from Paul Smith's College in Saranac Lake. Luke has been in the tree care industry since 2014 and joined Bartlett Tree Experts in 2016. He held positions as Arborist Climber and Plant Health Care Specialist prior to becoming an Arborist Representative.

An ISA Certified Arborist, Luke is also a Vermont Certified Pesticide Applicator. He focuses on the longevity of the landscape by combining tree and shrub health and property owners' goals.

In his free time, Luke enjoys spending time outdoors both on the lake and in the woods. During a nice summer day, you can find him on his motorcycle traveling the roads of New England.
