Meet Your Bartlett Arborist Representative

Luke Zinsmeister

Luke grew up working on his family's farm in San Antonio. He was climbing live oaks then and still climbs them today (safely roped in of course)! He graduated from Texas A&M University with a Bachelor of Science in Rangeland Management and Ecology. Luke has always loved working outdoors so joined Bartlett Tree Experts in the summer of 2020. He is happy to have found a career he is passionate about. Luke held positions as a Plant Healthcare Specialist, Arborist Groundsperson and Climber prior to becoming an Arborist Representative.

An ISA Certified Arborist, Luke is also Tree Risk Assessment Qualified, and a Texas Department of Agriculture Certified Applicator. He is dedicated to meeting customers' needs and exceeding their expectations by improving the health and aesthetics of their trees.

In his free time, Luke enjoys spending time with his wife and family country dancing, hosting BBQs, and building with wood, metal, and Lego.
