Meet Your Bartlett Arborist Representative

Madolyn Henderson

Madolyn Henderson has a lifelong passion for all things green! Growing up in Arkansas, she helped her family on their tomato farm and designed floral arrangements for farmersâ€™ markets. Her love for plants extended to creating floral arrangements for her wedding and her sisterâ€™s. With a deep-rooted connection to horticulture, Madolyn knew she wanted her career to align with her passion.

She earned a B.S. in Horticulture from the University of Arkansas. After graduating, she joined Bartlett Tree Experts in 2019 as a Plant Health Care Specialist, gaining field experience and expanding her knowledge of the Lowcountry's landscapes.

As a Certified Arborist, Madolyn is excited to provide expert guidance to help clients maintain the health and beauty of their trees and plants.

An avid runner, Madolyn has completed 13+ marathons, including Boston in 2023, and aims to finish all six Majors. She enjoys running with her dogs and browsing local nurseries for unique plants.
