Meet Your Bartlett Arborist Representative

Cole Johnston

Neville has a passion for trees that was driven by a love of the outdoors and nature, especially the forest. Born and raised in the United Kingdom, Neville worked for the family tree company and joined the army after high school. He attended Moreton Morrell Agricultural College and opened his own tree company. Neville moved to the United States where he expanded his knowledge and love for trees. He was an arborist at Rice University where he took care of their arboretum, eventually securing their position as the second university in Texas to become a Tree Campus USA. In 2024, Neville joined Bartlett Tree Experts as an Arborist Representative.

Neville is an ISA Certified Arborist and Municipal Specialist, is Tree Risk Assessment Qualified (TRAQ) and is a Texas Licensed Commercial Applicator. He is also a past President of the Texas Urban Forestry Council. Neville is dedicated to assisting clients with the health of their trees and shrubs to achieve the goal of beautifying their properties.

Neville resides in Spring, Texas where he regularly climbs trees for training purposes and to rescue cats. Cycling forest trails is one of his hobbies and his favorite trees are the cedar of Lebanon and China snow fringe tree.
