Meet Your Bartlett Arborist Representative

Paul Dorego

Growing up in Sag Harbor, adjacent to a local nature preserve, Paul's love for trees started at a young age as he spent time rambling through the woodland with family and friends. He started his career in arboriculture as an Arborist Climber and Groundperson. In 2021, Paul joined Bartlett Tree Experts and held the position of Plant Health Care Specialist prior to becoming an Arborist Representative.

An ISA Certified Arborist, Paul is also a 3A licensed applicator. He works with clients to find perfect harmony in their landscapes by offering sound solutions to care for trees and shrubs.

Paul finds the diagnosis and treatment of ornamental specimen trees especially satisfying. In his free time, he enjoys working in the garden.
