Meet Your Bartlett Arborist Representative

Paul Mullins

Paul has always had an interest in trees and plants; cultivated in the footsteps of his father, a career arborist. After graduating from Francis Scott Key High School, Paul began his career with Bartlett Tree Experts in 1999 as an Arborist Groundsperson. He quickly took to tree work and enjoyed working outdoors. He gained experience, continued his education, and his career advanced quickly. Paul held positions as Arborist Climber, Plant Health Care Specialist and Crew Leader prior to becoming an Arborist Representative. In 2023, Paul transferred from the Baltimore office to South Carolina and the Greenville office.

Paul is an ISA Certified Arborist and Maryland Licensed Tree Expert. He truly enjoys taking care of landscapes and educating people about trees and shrubs.

Paul is married to his high school sweetheart and has two children. In his free time, Paul coaches youth sports and enjoys kayaking.
