BARTLETT TREE EXPERTS

SCIENTIFIC TREE CARE SINCE 1907

Meet Your Bartlett Arborist Representative

Paul Patterson

Paul grew up in Dallas, climbing trees and learning about plants and their contributions to our environment from his dad, a horticulturalist. This led him to pursue arboriculture at Stephen F. Austin State University in Nacogdoches, Texas. For two years in a row Paul received the Bartlett Tree Expert scholarship for students in Urban Forestry and Arboriculture. In 2016 he graduated with a BS in Urban Forestry and minor in Business. He began his career at Bartlett Tree Experts in Dallas. He advanced steadily within the Company, mastering skills and learning the tree care business. He then worked in our New Orleans office as a Crew Leader and Plant Healthcare Specialist.

Paul moved back to Texas to serve as an Arborist Representative. Paul is passionate about helping clients in the Dallas area maintain the health and beauty of their trees and shrubs.

In his free time Paul enjoys spending time with his fiancée Emily and his yellow lab, Goose. Paul and Emily love to travel and they go camping, hiking, snow skiing, and to the lake as often as possible. Paul is an avid outdoorsman who is always the first on the lake or in the sand, with his beloved Goose by his side.
