BARTLETT TREE EXPERTS

SCIENTIFIC TREE CARE SINCE 1907

Meet Your Bartlett Arborist Representative

Ryan Clark

Ryan has been in the tree care industry since he started with Bartlett Tree Experts in 2015. With a strong interest in the trees and a love of the outdoors, Ryan was attracted to Bartlett's scientific and holistic approach to arboriculture. Over the years, he has gained valuable personal experience in all aspects of tree care from pruning to soil care to insect and disease management.

Ryan is an ISA Board Certified Master Arborist and holds a master's degree in Natural Resource Management from the University of Georgia. While at UGA he was recognized for his expertise and chosen as an instructor to teach tree identification. His passion and strong background in insect and disease management, thirst for knowledge, and his love of plants make him a perfect fit for the myriads of landscape issues in the Tri-Cities.

Ryan is married to Mariah and is a proud father of two young daughters, Avery and Fiona. He enjoys spending time with his family as well as boating on Boone Lake and maintaining his landscape.
