BARTLETT TREE EXPERTS

SCIENTIFIC TREE CARE SINCE 1907

Meet Your Bartlett Arborist Representative

Scott Anderson

Throughout high school and college, Scott worked at a local garden center. This early exposure to horticulture sparked a love of trees and shrubs. He quickly learned about plant healthcare and how to treat insect and disease issues.

Scott thrived for the next 16 years before starting his career with Bartlett Tree Experts in 2016. There he refined his plant healthcare skills and learned how, when and why to professionally prune trees.

Scott is a member of the International Society of Arboriculture and a board certified Arborist.

When he is not working, the Hereford resident is with his wife, Kelly, and their two sons Owen and Wells either walking the NCR trail or hiking in the Gun Powder State Park.
