SCIENTIFIC TREE CARE SINCE 1907

Meet Your Bartlett Arborist Representative

Ted Wertz

Ted has been employed in the tree care industry since he joined Bartlett Tree Experts in 2006. With a strong interest in trees and love of the outdoors, he was attracted to Bartlett's scientific and holistic approach to arboriculture. He earned his Forestry degree at Allegany College of Maryland.

Ted is an ISA Certified Arborist whose passion, strong background in insect and disease management, thirst for knowledge, and love of plants makes him a great resource of information about the myriad of landscape issues found in central Pennsylvania. As a local Arborist Representative, he services the Centre County areas.

Ted is married and is a proud father of two. He enjoys spending time with his family and Bernese Mountain dog, as well as fishing.
