BARTLETT TREE EXPERTS

SCIENTIFIC TREE CARE SINCE 1907

Meet Your Bartlett Arborist Representative

Tyler Mynard

Tyler started his arboriculture career in 2012 in his home state, Colorado. He worked for a reputable tree care company where he quickly developed an interest in climbing and plant health care. Over time, Tyler progressed from groundsperson to the role of Operations Manager and Head Arborist. Tyler knew Bartlett as the industry leader in scientific tree care. When he moved east, Tyler was excited to continue his career by joining Bartlett Tree Experts. Initially an Arborist Climber, he advanced to Arborist Representative in 2023.

An ISA Certified Arborist, Tyler is passionate about working to keep Connecticut's trees in good health. He helps his clients make educated decisions for the care of the trees and shrubs on their properties.

In his free time, Tyler enjoys hiking and running with his wife and dog.
