Meet Your Bartlett Arborist Representative

Victor Montano

Victor had been a Plant Health Care Specialist for several years when, attracted by the company's scientific approach to tree care, he joined Bartlett Tree Experts in 2021. As his arboricultural knowledge and skill set grew, his career advanced quickly. Victor held positions as Plant Health Care Specialist and Arborist Climber prior to becoming an Arborist Representative.

As an Arborist Representative, Victor draws on his knowledge and field experience, and is backed by the diagnostic resources of the Bartlett Tree Research Laboratories. He offers his clients solutions for caring for the trees and shrubs on their property.

In his free time, Victor enjoys spending time with family and friends. He grew up in Farmingdale, has always loved the outdoors, and is an active hiker and soccer player.
