Meet Your Bartlett Arborist Representative

Warner Winthrop

Warner was born and raised in Richmond, Virginia. His interest in tree care began with a landscaping job during college. Since graduating from Virginia Commonwealth University he has acquired over two decades of experience in the Mid-Atlantic tree care industry. He has developed expertise in both residential and commercial arboriculture. His extensive experience with trees and landscapes in the area complements the scientific approach at Bartlett Tree Experts.

Previous roles in the plant industry include managing a Japanese maple nursery, purchasing for a wholesale nursery, and designing a TV weather garden. Warner spent years traveling the country and collaborating with growers to provide the finest specimen plant material. Across his varied experience, Warner has always focused on client satisfaction.

Warner has been ISA Certified Arborist for over a decade, and he is a Virginia Commercial Applicator. He looks forward to serving clients in south Richmond, Bon Air, Midlothian, Powhatan, and Mosley.

Warner lives in Richmond with his wife, Emily, and dog, Curtis. He is a member of several running clubs and enjoys traveling and hiking.
