Meet Your Bartlett Arborist Representative

Zach Weymouth

Growing up near Acadia National Park, Zach has always had a great appreciation for nature and by 2008 knew he wanted a career working outdoors. He began in landscaping and transitioned to arboriculture in 2018. Zach was an Arborist Crew Leader at Savage Forest Enterprise and joined Bartlett Tree Experts when the company was acquired in 2022, where he holds the position of an Arborist Representative.

Maine Licensed Arborist, Zach is backed by the diagnostic resources of the Bartlett Research Laboratories. He is dedicated to helping clients make educated decisions for maintaining the health and beauty of their trees and shrubs.

In his free time, you will most likely find Zach on a golf course. He resides on Mount Desert Island with his wife Molly and their two retrievers, Louie and Lola. Zach and his family love being outdoors.
