

Meet Your Bartlett Arborist Representative

Ezekiel Gammill

Zeke inherited his passion for nature and trees from his father who took him hiking and camping in the Appalachian Mountains throughout his childhood. In addition to loving the natural world, Zeke is fascinated with American history. He was a history major at American University. After working at his father's sport turf business and a couple of smaller tree services companies, Zeke joined Bartlett Tree Experts in 2015. He has advanced within the company, initially an Arborist Climber, Zeke also held the positions of Crew Leader and Plant Health Care Specialist prior to becoming an Arborist Representative in 2022.

An ISA Board Certified Master Arborist, Zeke is also a Maryland Licensed Tree Expert and a Maryland Licensed Pesticide Applicator. He uses his knowledge and field experience to provide clients with sound advice to maintain the health and beauty of their trees and shrubs.

In his free time, Zeke enjoys canoeing on the Potomac River with his friends. A Maryland state wrestling champion himself, Zeke also enjoys working with high school athletes as a volunteer wrestling coach.
