BARTLETT TREE EXPERTS

SCIENTIFIC TREE CARE SINCE 1907

Meet Your Bartlett Arborist Representative

Abraham Monahan

Abe's first job was working on a Christmas tree farm when he was 12 years old. He has been working with trees ever since. Abe sought out jobs where he learned more about plants during high school and while still in college began his career with Bartlett Tree Experts in Seekonk, MA as a Plant Health Care Specialist. During his senior year at the University of Rhode Island, Abe was promoted to Arborist Representative. After graduating with a Bachelor of Science in Environmental Horticulture and Turf Management, Abe served clients in Southeastern Connecticut for six years. In 2013 he relocated to the South Shore of Massachusetts to manage the local office.

Abe is an ISA Certified Arborist and is Tree Risk Assessment Qualified (TRAQ). He enjoys using his knowledge and experience to help property owners make educated decisions for maintaining the health and beauty of their trees and shrubs.

In his free time, Abe enjoys spending time with his wife and young son visiting the beach, hiking, and gardening.
