## Brad Evans

Brad joined Bartlett in 1995 to lead a Tree Pruning crew. He later became a Plant Health Care Specialist. He accepted his current Arborist Representative position in 2003.

Brad's practical field experience, his passion for plants and his understanding of tree health and preservation has allowed him to make a big impact on our clients properties.

He is an ISA Certified Arborist, a Certified Tree Safety Professional, and he is TRAQ Qualified. Brad is also a Pennsylvania licensed pesticide applicator.

When Brad isn't working to preserve trees, he can often be found outside in his own garden, volunteering with his Rotary Club in Chambersburg and volunteering for Ducks Unlimited. He is married and has a daughter and a son.
