BARTLETT TREE EXPERTS

SCIENTIFIC TREE CARE SINCE 1907

Meet Your Bartlett Arborist Representative

Brandon Frazier

Brandon has a bachelor's degree in forestry science from The Pennsylvania State University. He joined Bartlett Tree Experts in 2013, drawn by the company's scientific and holistic approach to tree care. As he advanced within the company, Brandon built on his forestry knowledge, gaining valuable experience in pruning, soil care, and insect/disease management prior to becoming an Arborist Representative.

Brandon is an International Society of Arboriculture (ISA) Certified Arborist and a member of the ISA's Mid-Atlantic Chapter. He enjoys using his knowledge and experience to provide sound tree and shrub care recommendations and is dedicated to ensuring customer satisfaction.

In his free time, Brandon enjoys being involved in the community. He is a member of the Lancaster Chamber of Commerce, the Northern Neck Rotary Club, the Kilmarnock Town Planning Commission, and the White Stone Business Association. On the weekends he enjoys being out in the bay attempting to catch fish, and cherishing time with his family.
