BARTLETT TREE EXPERTS

SCIENTIFIC TREE CARE SINCE 1907

Meet Your Bartlett Arborist Representative

Brian Murphy

Brian Murphy began his arboriculture career in 2003, following in the footsteps of his father. He gained hands-on experience in all aspects of arboriculture, from climbing, pruning, and planting to plant health care and customer service. Brian joined Bartlett Tree Experts in 2025 as an Arborist Climber, bringing with him decades of field experience and a deep-rooted passion for trees and shrubs.

A New Jersey Licensed Tree Expert since 2018, Brian is committed to helping clients make informed decisions about their landscapes with a focus on safety, sustainability, and long-term plant health. With the backing of Bartlett's Research Laboratory Team, he is excited to preserve and enhance the natural beauty of each property he serves.

Outside of work, Brian enjoys spending time with his family. His two sons keep him very busy. He also spends as much time as he can outdoors, learning about the dynamic world of trees and shrubs.
