Meet Your Bartlett Arborist Representative

Christopher Matzelle

Chris is a graduate of the University of New Hampshire. He began his career as a Climbing Arborist and Equipment Operator, and later becoming a Plant Health Care Specialist, prior to becoming an Arborist Representative.

He is an ISA Certified Arborist. His industry experience has allowed him to gain a well-rounded understanding of the trees and shrubs we value, and the best procedures for caring for them. He is a firm believer that good cultural practices are the key to healthy plants and successful pest management programs.

He enjoys spending time with family and friends; and can be found enjoying the outdoors fishing, exploring, and repairing small engines in his garage.
