BARTLETT TREE EXPERTS

SCIENTIFIC TREE CARE SINCE 1907

Meet Your Bartlett Arborist Representative

Daniel Greenwell

As a Tallahassee native, Dan discovered his passion for trees and shrubs while working at Tallahassee Nurseries in the early 2010's. Just prior to joining Bartlett in 2025, Dan spent 8 years teaching arboriculture courses at a technical college in South Carolina. In 2024, Dan was recognized by the National Association of Landscape Professionals as the Outstanding Collegiate Educator of the Year.

Dan holds a BS Degree in Landscape Horticulture from the University of Florida and is an International Society of Arboriculture (ISA) Board Certified Master Arborist (BCMA). He possesses the ISA Tree Risk Assessment Qualification (TRAQ) and Prescription Pruning Qualification (PPQ). Dan is committed to providing science-based and industry-leading solutions for all his clients' tree and shrub needs.

Dan enjoys nature hiking and exploring new cities and places with his family. When it's not too hot out, he also enjoys sprucing up his own landscape around the house.
