Meet Your Bartlett Arborist Representative

Dean Clemens

Dean began his arboriculture career in 2012 when he completed a Level 2 Arboriculture course at Berkshire College of Agriculture. He has gained valuable practical experience working within the tree care industry, developing a strong knowledge of tree management, pruning, and arboricultural best practices. Dean joined Bartlett in 2022 and has continued to build on his expertise.

Dean is committed to providing professional advice tailored to each client's needs. Backed by the resources and research of Bartlett, he works closely with property owners to help maintain the health, safety, and beauty of their trees and landscapes. He takes pride in building strong relationships with clients and delivering long-term recommendations for their trees.

Dean enjoys playing golf and spending time outdoors. His appreciation for the natural environment extends beyond his work, and he values any opportunity to enjoy the countryside and green spaces around him.
