SCIENTIFIC TREE CARE SINCE 1907

Meet Your Bartlett Arborist Representative

Francine Cantu

Recruited by Bartlett Tree Experts while attending Texas Tech University, Francine advanced through field as a Crew Leader and Plant Health Care Specialist before becoming a Commercial Arborist Representative. She continues her studies in English, Plant Soil Science, and Biology.

Francine works with Austin and surrounding municipalities on tree preservation, permitting oversight, code compliance, and commercial arboriculture. She oversees field operations and transplanted tree care, managing pruning, soil management, cabling, bracing, lightning protection, and tree-health projects with a focus on environmental stewardship.

Selected to represent Austin in Influential Women 2026, Francine is active in professional organizations and advocates for sustainability, responsible development, and urban green-space preservation.
