BARTLETT TREE EXPERTS

SCIENTIFIC TREE CARE SINCE 1907

Meet Your Bartlett Arborist Representative

James Triggs

A native of the Midwest, Jim has always had a passion for the outdoors and conservation. He earned his bachelor's degree in environmental biology from Western Illinois University in 2020. In 2021 he started his career with Bartlett Tree Experts as a Plant Health Care Specialist. Gaining substantial knowledge in the field, he became a Certified Arborist in 2025.

Jim combines deep technical knowledge of tree biology and a genuine passion in caring for clients' landscapes. With years of experience in diagnostics, pruning standards, and risk assessment, he approaches each property with an eye for tree health and long-term sustainability. His goal is to provide clear, trustworthy guidance, empowering clients to make informed decisions on their properties.

In his free time, Jim loves snowboarding and camping. He also regularly goes rock climbing. Or if he's looking for something a little more laid back, a seat by the fire or a good movie.
