SCIENTIFIC TREE CARE SINCE 1907

Meet Your Bartlett Arborist Representative

Joe Parrott

Joe started in the tree care industry after he began his career with Bartlett in 2014. His interest in trees and love for the outdoors paired perfectly with Bartlett's scientific approach to tree care.

Joe is an ISA Certified Arborist and holds a Bachelor of Science degree in Forestry from Northern Arizona University. His main focus as an arborist is proper soil care, integrated pest management programs, and correct pruning techniques.

When Joe is not working he spends his time on the water, fishing, or in rural areas on his mountain bike. Joe is also an Eagle Scout and enjoys backpacking. Whether he is working or at home his favorite place to be is outside.
