BARTLETT TREE EXPERTS

SCIENTIFIC TREE CARE SINCE 1907

Meet Your Bartlett Arborist Representative

John Cummings

John has had a life-long love of the outdoors and has spent the better part of his career working to keep things green and healthy. He was born and raised in Massachusetts and began working as a greenskeeper of a small golf course when he was fifteen. He spent the next eight years learning as much as he could about the green industry while simultaneously earning a BA in Psychology. After college John moved to Cape Cod and worked as a Territory Service Representative for Scotts Lawn Service. Meanwhile his interest in arboriculture grew and in 2007 John began his career with Bartlett Tree Experts.

A Certified Arborist with the International Society of Arboriculture, John enjoys using his knowledge and experience in helping clients maintain the health and beauty of the trees and shrubs on their properties.

John lives in South Yarmouth with his wife and son.
