Meet Your Bartlett Arborist Representative

Rick Towe

Rick is an avid outdoorsman. His love of nature was instilled in him by his father while spending time fishing the lakes and rivers of southwest Ohio. After several years in the manufacturing sector, he decided to follow his passion and pursue a career in arboriculture. He joined Bartlett Tree Experts in 2010. Rick gained valuable knowledge as he advanced within the company. He held the positions of Arborist Climber, Arborist Crew Leader and Plant Health Care Specialist prior to becoming an Arborist Representative.

Rick is an ISA Board Certified Master Arborist and Certified Tree Risk Assessor as well as an Ohio, Kentucky and Indiana Commercial Pesticide Applicator.

He is passionate about helping friends and clients make educated decisions to care for their trees and shrubs. In his free time, Rick enjoys hiking and fishing with his wife and children, and of course, climbing trees.
