Meet Your Bartlett Arborist Representative

Ryan Johnston

Ryan is a Georgia native, raised in the small town of Mansfield. He studied at both the University of West Georgia and the University of Georgia. A second-generation Arborist, Ryan has been in the tree care industry since he joined Bartlett Tree Experts as an intern in 2014. Ryan stayed and built his career holding positions including Arborist Climber, Crew Leader, Local Office Safety Coordinator, and Plant Health Care Specialist prior to Arborist Representative.

In addition to his knowledge and extensive field experience, as an Arborist Representative, Ryan is backed by the diagnostic support of the Bartlett Tree Research Laboratories. He and his team can answer your tree and shrub questions and provide sound recommendations to keep your landscape safe, healthy, and beautiful.

In his free time, Ryan enjoys reading sci-fi and spy novels, hiking with his girlfriend and their Great Pyrenees, and working on his parents' horse farm.
