SCIENTIFIC TREE CARE SINCE 1907

Meet Your Bartlett Arborist Representative

Shea Coffey

Born in the mountains of Virginia, Shea has always fostered a fondness for nature. That love of the outdoors led him to Bartlett in the summer of 2021. While developing his skills in plant health care and ornamental tree pruning, Shea honed his diagnostic abilities and holistic treatment approach.

Shea is an ISA Certified Arborist whose passion for scientific tree care motivates him to deliver results-based solutions for trees and shrubs in his clients' landscapes. His experience in customer service from his time in the hospitality industry has equipped him to understand and meet the wants and needs of those in his care.

In his free time, Shea can be found in the same mountains in which he grew up. You can find him tending his hobby farm, playing with his daughter in the woods, or rocking on the porch with his wife.
