Meet Your Bartlett Arborist Representative

Timothy Marino

Tim began his career in Arboriculture in 2019 when he was accepted to Williamson College of the Trades in Media, Pennsylvania. During his education, Tim had multiple internships at different tree companies, honing his skills and applying what he learned in the classroom onto the job sites. He earned his associate's degree in general horticulture, sports turf management, and landscape design. After Tim graduated in 2022, he immediately joined Bartlett Tree Experts. He gained diverse experience being a Climber, Crew Leader, and Plant Health Care Specialist, developing a well-rounded skill set.

As a Certified Arborist and Certified Plant Health Care Specialist, he can draw from his experience and education to offer sound arboricultural assessments.

In his free time, Tim enjoys hiking with his family, playing with his two dogs, and woodworking any chance he gets.
