Meet Your Bartlett Arborist Representative

Tyler P. Holladay

Tyler is a consulting arborist who is passionate about planning as it relates to trees in the built environment. Tyler specializes in spatial analysis and cartography, tree inventories, tree risk assessments, and tree protection plans. He contributes a diverse background in horticulture and arboriculture to the UFS|BC consulting team. Prior to joining Urban Forestry Services, Tyler served as the Campus Arborist for Western Washington University. He holds a B.A. in Urban Planning and Sustainable Development, a Geographic Information Science (GIS) Certificate and Minor, and is an ISA Certified and Tree Risk Assessment Qualified (TRAQ) Arborist through the Pacific Northwest Chapter of the ISA. Through his work, Tyler is committed to furthering the pursuit of social and environmental equity by encouraging an urban forest planning and management approach that is rooted in Asset-Based Community Development principles.
