

Meet Your Bartlett Arborist Representative

Douglas Bocchino *Arborist Representative*

Doug has always had a passion for nature. As an Eagle Scout, he developed a strong work ethic and the interpersonal skills necessary to work closely and effectively with others.

Over the course of the last fifteen years, Doug has worked in many capacities within the green industry. At the age of twelve, he began volunteering his time at a local orchard. His passion for trees enabled him to immerse himself there for eight years.

At the age of twenty, Doug began a two season internship with Bartlett Tree Experts. He graduated from Delaware Valley University with a bachelor of science in ornamental horticulture and a minor in environmental science. Doug was also inducted into the National Agricultural Honor Society.

While in college, Doug traveled abroad to Poland and to the Netherlands where he studied arboricultural, horticultural, and floricultural practices.

Doug is a New Jersey Certified Tree Expert, an ISA Certified Arborist and a Certified Treecare Safety Professional.

A New Jersey native, Doug grew up in Randolph and continues to reside in Morris County. He enjoys hiking, camping, kayaking, and mountain biking with his family.
